

POND FARM

The farmhouse was probably built in the 17th century. In 1840 it was owned by Robert Henry Hurst of Horsham Park and occupied by Martha Dendy. In 1861, the Denne Estate, which included Pond Farm and Shaws Farm in the possession of the Misses Dendy, was conveyed to Charles Gilbert Eversfield for £ 3,400. In 1881, the 110 acres of Pond Farm were "occupied" by John Chantler. In 1929 when the Denne Estate was broken up, it was sold for £ 1,500.
